

Title/position: Transport Team Volunteer

Description: Transport Team Volunteers assist with driving animals to and from vet appointments, grooming appointments, different rescues and shelters, and other locations as needed. Responsibilities:

- Transport LHS animals safely from one destination to another
- Keep animals appropriately crated and secured throughout the trip
- Load and unload animals from the two locations, ensuring the animals are safely transferred upon arrival
- Bring any necessary paperwork or documentation with the animal
- Arrive for pick-up and drop-off on time

Requirements: Volunteers must be at least 18 years of age or older, have access to reliable transportation, a valid in-state driver's license, a flexible schedule, and be comfortable driving long distances if needed. Vehicles must be properly registered and insured. This position has low-moderate levels of animal contact.

Time commitment: Opportunities are available year-round on a regular basis. Transports are often scheduled with short notice, so having a flexible schedule is a plus. Volunteers must sign up to help with at least one transport per month.

Location: Mainly throughout the Greater Lowell Area and other areas in MA and NH.

Benefits: Make a difference in the lives of local shelter pets by providing them with safe transport to and from destination. Grow your skills, have a flexible schedule, meet new people, and join a network of others that share your passion.
